

ANUNNAKIS

IMMERSIVE EXPERIENTIA, UBI GRAVITAS VIDETUR AMITTERE SIGNIFICATIONEM

PRESENTATION

ANUNNAKIS is an immersive performance that transports the viewer to a dimension where gravity seems to lose its meaning. Elevated on stilts, these beings float with slow motion movements, evoking the majesty of stellar gods who have returned to Earth. With a striking combination of illuminated costumes, lighting ambiance and ethereal choreography.

ANUNNAKIS fuses mythology, science fiction and performance art into an unforgettable visual experience. Ideal for festivals, urban spaces and themed events, this production awakens wonder and fascination with the unknown, leaving the audience with the feeling of having witnessed something beyond the human.

SYNOPSIS

The ANUNNAKIS descend once again to Earth. Their ethereal bodies float with slow, weightless movements. Surrounded by an enigmatic glow, their presence is hypnotic and out of this world. Between the divine and the alien, this performance invites the viewer to question their origin, their connection to the universe and the mystery of these ancient beings.
